Morongo Basin Receives Donation

On Tuesday, the Board of Supervisors accepted a donation of a 2007 Polaris Ranger XP Quad, valued at \$12,666 from the Morongo Basin Search and Rescue Unit for the Sheriff's Search and Rescue Unit at the Morongo Basin Station.

"I am very grateful for the generosity and dedication to public service that the Morongo Basin Search and Rescue Unit has shown," said Third District Supervisor Dennis Hansberger. "I applaud their extreme dedication to the community and public safety."

The quad will be used for search and rescues within the Morongo Basin.
